

src/main/java/com/hust
/ittnk68/cnpm/type/Sex.java

```
graph TD; A["src/main/java/com/hust<br/>/ittnk68/cnpm/type/Sex.java"] --> B["java.util.Arrays"]; A --> C["java.util.Optional"];
```

The diagram illustrates a file path at the top, which then branches into two arrows pointing to two separate class names below it. The top box is dark gray, while the bottom boxes are light gray.

java.util.Arrays

java.util.Optional
